

City Golf is a light-hearted variant of the classic **sport of golf**. Walk through the city and hit a ball in **six** or **nine** locations in the city centre along the way, including the Grote Markt, Botanical Garden and St Rumbold's Tower.

What better way to get to know Mechelen, particularly when there are plenty of opportunities to stop off for a Mechelen beer or a soft drink!

No golf experience? An explanation is given before you set off and you'll soon learn. Equipment provided.
