

Domein Roosendael is located five kilometres to the north of Mechelen. Part of this 17-hectare nature area is also a nature reserve. The centuries-old combination of nature, landscaping and architecture make Roosendael a fascinating experience and the perfect setting for group stays, training sessions, meetings, parties, gentle teambuilding activities and so on.

Each meeting room has a flipchart. We also provide a projector and a screen as well as ensuring that your meeting is catered to on time. We can offer coffee, tea and small pastries for an energised start to the day. At lunch you have the option of sandwiches or a hot lunch.

Need a break? Then step out for a short walk so you can continue your meeting feeling refreshed.
