

Your company can rent St. Rumbold's Tower and we will even serve your guests a drink. At least, if they climb the 538 steps to the top of the tower. In exchange they can enjoy a breath-taking view from the skywalk.

Privatise St. Rumbold's Tower for a teambuilding event. Share your story with your customers or employees in an inspiring setting, along with our guide. He or she will share facts about our tower in every room, which you can supplement with your message. A refreshing drink awaits you at the top of the tower.
