

Het Anker Brewery is an enviable location for meetings in the historic heart of Mechelen. The brewery is easily accessible and has three stylish meeting rooms. You might like to combine your meeting or incentive with a visit to the brewery, and what better way to round off a busy day than with one of our world-class beers.

Follow that with a relaxed dinner in the brasserie where you will be given advice about the right beer for each dish. We are happy to put together a programme to meet your particular requirements. Who says you can't mix business and pleasure!
