

The gourmet restaurant Centpourcent with one Michelin star is located in the heart of the vegetable-growing region, so it stands to reason that the innovative and contemporary cuisine is inspired by fresh local produce.

Subtle dishes whose flavours, colours and textures bring out the best in each other are served in a minimalist yet warm interior with an eye for detail along with carefully selected wines.

At Centpourcent expect a fine dining experience in a relaxed atmosphere.
We are also delighted to cater for meetings.
