

Studio BeContent is a multifunctional space with a loft vibe where you can hold photo shoots for fashion, food and lifestyle brands and plan video productions. You can also host workshops, PR and networking events and product launches here. The modern 300-m² studio is furnished with designer pieces and has a fully-equipped kitchen. The superb custom-made wall cupboards in tropical okoumé wood offset the concrete floors and kitchen island worktop. A large, hand-made wooden table and bespoke sofas provide warm finishing touches.
