

The former Huyghebaert company site made the switch from an industrial to a leisure environment. Burney's is a Family Entertainment Center that focuses on an innovative 'eatertainment' concept.

This multi-leisure consists of an eKart with a challenging race track (for young and old) over 2 floors, 18 bowling alleys, 3 escape rooms, 4 karaoke boxes and a cozy pool and darts corner. The beating heart is a (sports) bar and a fully-fledged restaurant that serves pastas from Bavet, Flemish classics, pizzas, Burney's Burgers and more goodies. In other words, something for every mouth.

Come and experience the Fun@Burney's!
