

Three striking façades near Vismarkt and Kraanbrug Bridge along the River Dijle are silent witnesses of the sixteenth and seventeenth century. Originally, they unloaded and traded oats here.

Nowadays these three lovely houses have been transformed into one unique events venue. The catering is in the capable hands of Hof van Beatrijs. They will take care of your reception, walking dinner or dinner down to the last detail.

The refined cuisine, the friendly welcome, the stylish servers and the unique atmosphere and ambience of this venue will ensure that your event is real a success!
