

This centuries-old farmhouse in green Bonheiden, near Mechelen, is located in the Cassenbroek nature reserve and is surrounded by woods, heaths and meadows. Ideal for undisturbed brainstorming, meetings and relaxation with colleagues. Immerse yourself in nature, get inspiration from the surroundings and concentrate in peace.

The Hottentothoeve has a large barn, a covered outdoor area 'karrenkot', two break-out rooms ('farmhouse' and 'glamping tent') and two meadows for outdoor activities. Get outside and have a brisk walking meeting with mapped out routes or have a team building activity with our Hottentot Play game.
