

The Moreelshuis is located in the historic heart of the Grootbegijnhof. This beautiful building, formerly the chapel of the Mechelen beguines, has been tastefully renovated into a light, multifunctional space.

For professional activities such as study days, training courses or meetings, the room has a fixed beamer and screen. In addition, the location is highly recommended for exhibitions or informal meetings. For outdoor events, use can be made of the beautiful garden with outdoor bar. Moreover, Sharabang offers creative teambuildings. Together we would like to see if we can develop a tailor-made proposal at this unique location.

By choosing the Moreelshuis you support the daily operation of Sharabang vzw, an inclusive art studio for people with a disability.
